NATIONAL DEFENSE UNIVERSITY NATIONAL WAR COLLEGE ...

The American victory at the Battle of Philippine Sea (19-20 June 1944) is regarded by military historians as one of the great naval engagements. Perhaps for this reason military experts continue to analyze the battle, focusing on the controversial command decision by Admiral Spruance to seek and destroy the Imperial Japanese Navy in a

Nimitz's strategy was designed to move directly towards Japan and draw the Imperial Navy into a decisive fleet engagement as happened at the Battles of the Philippine Sea (June 1944) and Leyte Gulf (October 1944). MacArthur's and Nimitz's campaigns merged into one for the invasion of the Philippines.
